

## REMARKS

Applicants respectfully submit a substitute sequence listing to correct inadvertent typographical errors that appear in SEQ ID NOS:3 and 4 in the sequence listings previously submitted on January 4, 1999 and February 5, 2001. The substitute sequence listing (enclosed) is identical to the sequence listing filed on October 23, 1996 and reflects the addition of SEQ ID NOS:9-11, submitted on February 5, 2001 in response to an Official Communication dated January 5, 2001. No new matter has been added.

It is respectfully requested that this Second Supplemental Amendment be entered in this application, which is now submitted to be in condition for allowance, which action is earnestly solicited.

Respectfully submitted,
